HYDROTEC

Ref. No.: 0018

DECLARATION OF PERFORMANCE - MAXI 200, Class E 600

1) Product-type	Drainage Channel according to EN 1433, type M
2) Type, batch, or serial number(s)	MAXI 200 , E 600, total height 310 mm, ductile iron edge and grating
3) Purpose(s)	Collection and conveyance of surface water from areas subject to pedestrian and/or vehicular traffic
4) Manufacturer contact details	HYDROTEC Technologies AG Düngstruper Straße 46, 27793 Wildeshausen, Germany
5) Contact details of the agent	n/a
6) System(s) for assessment and verification of performance	3
7) Service of the notified body according to the harmonized standard	The notified body, MPA-BREMEN -1075, carried out the initial inspection according to system 3.
8) Service of the notified body according to European technical assessment	n/a

Essential characteristics	Performance	Harmonized technical specification
Water-tightness	Fulfilled	According to section 7.5.1 No class or level
Load bearing capacity, deflection under load		
· maximum load	Fulfilled	According to section 7.15 Class A 15 to F 900
· permanent load	Fulfilled	According to section 7.16 Class C 250 to F 900
Durability	Fulfilled level "+R"	Weathering resistance acc. to Table 1

The performance of the product identified in points 1 and 2 are in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer:

Wildeshausen, 18.06.2015

Jürgen Unewisse, Managing Board
